**LIFEBOATS & LAUNCHING APPLIANCES**

Our technical staff is properly trained and highly experienced for conducting inspections, repairs and maintenance at all type of lifeboats.

All inspections are carried out in accordance to the MSC1206 and always in the presence of the vessel's classification society.

Every inspection report is accompanied by a cd with inspection's photos.

We are always alert for any new demand or regulation in order to inform you on time.

For the 5-yearly load test we can provide our own water bags.

We can perform our services at any Greek or worldwide port

**FIRE FIGHTING & LIFESAVING APPLIANCES**

Our technicians are approved and trained to handle and inspect a vast array of fire suppression equipment such as :

All types of permanent fire fighting installations

Portable or non portable Fire extinguishers

Compressed Air Breathing Apparatus

Emergency Escape Breathing Devices

For the inspection & certification of lifeboats we are approved from the following

Classification Societies :

- Det Norske Veritas-Germanischer Lloyd (DNV-GL)
- Bureau Veritas
- Nippon Kaiji Kyokai (Class NK)
- Korean Registry of Shipping (KRS)
- Russian Marine Registry of Shipping (RMRS)
